STAFF RECOMMENDATION

That the Council open the public hearing, receive evidence on the proposed Special Use Permit Minor Modification, and continue the Public Hearing to October 7, 2020.

PROCESS

The Land Use Management Ordinance Section 4.5 states that the Town Manager may grant a single extension of the completion time limit for up to twelve (12) months. If the applicant requests additional extensions, the Council would need to approve the request.

The Planning Commission reviewed the request and has recommended adoption of Resolution A.

DECISION POINTS

- The existing Special Use Permit will expire if this request is denied.
- The Town Manager granted a one-year construction completion extension on May 10, 2019. Council must also approve any subsequent extensions.

PROJECT OVERVIEW

The Town of Chapel Hill approved a Special Use Permit on September 24, 2012 to construct a mixed-use development. This development consists of seven buildings and 278,000 square feet of floor area. The approved Special Use Permit required that construction be completed by June 25, 2019. The Town Manager extended that deadline to June 25, 2020.

The LUMO requires that that construction completion extension request be submitted within 60 days of the completion date. The applicant submitted their request April 24, 2020 and due to COVID-19 delays, the application is now being reviewed by Council.

The applicant has requested the minor modification to extend the construction completion date by 24 months. They have not proposed any other modifications.
