**Responses to Council Questions**

**ITEM #7: Consider Approving Habitat for Humanity's December 2018 Funding Request for the Affordable Housing Development Reserve as Recommended by the Housing Advisory Board**

**Council Question:** How many affordable homes/units would be provided, with the assistance of the allocations from ADHR, in Chandler Woods and in CASA Merritt Mill Road, respectively?

**Staff Response:** *AHDR funds awarded by the Council to the Community Home Trust in February would subsidize six affordable townhomes in the Chandler Woods development. CASA's Merritt Mill Road project includes 48 affordable rental units. AHDR funds approved by the Council in FY17 will support the 24 units located in Chapel Hill.*
