I am an architect with an interest in both historic and contemporary design. I have also received an award from the American Planning Association (APA) for my work as a volunteer planner and urban designer. I have served on the HDC in the 1980's and have served on other town commissions including several Comprehensive Plan update teams.

Ethics Statement

ETHICS GUIDELINES FOR TOWN ADVISORY BOARDS AND COMMISSIONS

Members of advisory boards and commissions shall not vote on any matter in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if the outcome of the matter being considered is reasonably likely to have a direct, substantial, and readily identifiable financial impact on the member. In addition, members of the Historic District Commission and Board of Adjustment, when these boards are hearing cases, serve as quasi-judicial bodies. Pursuant to General Statute 160D-109(d), members of these boards “shall not participate in or vote on any quasi-judicial matter in a manner that would violate affected persons’ constitutional rights to an impartial decision maker. Impermissible violations of due process include, but are not limited to, a member having a fixed opinion prior to hearing the matter that is not susceptible to change, undisclosed ex parte communications, a close familial, business, or other associational relationship with an affected person, or a financial interest in the outcome of the matter.” Any member who violates these Ethics Guidelines may be subject to removal from the board or commission. If the advisory board or commission member believes he/she has a conflict of interest then that member shall recuse himself/herself from voting on the matter. In cases where the individual member or the advisory board or commission establishes a conflict of interest, then the advisory board or commission member shall remove themselves from the voting area. Any advisory board or commission member may seek the counsel of the Town Attorney on questions regarding the interpretation of these ethics guidelines or other conflict of interest matters. The interpretation may include a recommendation on whether or not the advisory board or commission member should excuse himself/herself from voting. Question applies to multiple boards

How do you describe your previous advisory board experience?

Non-Chapel Hill Board Experience

What perspective(s) do you bring to the board(s), commission(s), committee(s) or task force(s) to which you are applying?

I am a former board member of the Greater Augusta Arts Council, the non-profit entity that serves as the official public art agency for Augusta, GA gov. I served 3 years on its Public Art Advisory Panel, one chair-elect, half a year as chair. I am not a working artist myself but have experience with the "back-of-the-house" work involving grant applications, developing calls for art, and jurying artists' submissions. I served 2 terms on the Board of Trustees of Historic Augusta, a private, nonprofit membership organization dedicated to the preservation of the historic built environment of Augusta and Richmond County, GA. Prior to retirement, I worked for the Augusta Canal National Heritage Area, an affiliated unit of the National Park Service. I have participated in a number of nonprofit board member trainings offered by the Georgia Center for Nonprofits and similar entities.

Please provide a brief summary of any other relevant qualifications (skills, abilities, interests and/or experience) you bring.

I grew up in Chapel Hill, leaving after I earned my undergraduate degree in 1975. I'm happy to have returned to what I consider my "hometown." now that I'm retired. I still have family connections here, including my brother Michael Brown, an artist who created many of the town's first murals. I worked in non-profit marketing, communications, and program development for most of my career. I have written a number of successful small to mid-sized grants for arts and historic preservation projects. One in which I take special pride is the successful effort to save the "Mother" church of the CME denomination, an African-American denomination that traced its origin to Augsuta in 1845. I wrote a number of grants in support of this work and coordinated the project which involved moving the structure from a contaminated site to a safe location.

Question applies to Historic District Commission

Do you have special interest, experience, or education/training in history, architecture, archaeology, or related fields? If yes, please explain.

I received an AB in American Studies from UNC-CH in 1975. My career has given me occasions to work with the National Park Service, the National Trust for Historic Preservation, the Georgia Trust for Historic Preservation, Partners for Sacred Places, and other similar entities.

What perspective(s) do you bring to the board(s), commission(s), committee(s) or task force(s) to which you are applying?

I have a love of history and a desire to preserve the truth of our past. We have done amazing things as people and the trekking of oyr story is the intricate part of evolution.

Please provide a brief summary of any other relevant qualifications (skills, abilities, interests and/or experience) you bring.

I come from a long line of community organizers. In every place I've ever lived I have been a voice for the voiceless sometimes providing food, clothing and shelter to those in need. In my current community I have assisted my neighbors with resources, organized a neighborhood cleanup and an accountability system. I have instilled the importance of knowing the good and the bad of history is how we continue to take the "lead"out of the paint. History preservation is the only way we can show where we've been so we get a better idea of where we are going.

Question applies to Historic District Commission

Do you have special interest, experience, or education/training in history, architecture, archaeology, or related fields? If yes, please explain.

I always wanted to be an archeologists but didn't know how to get into the field. My parents always took us on trips where we explored places like Monticello which wouldn't have been there if people didn't feel the need to preserve history. I want future generations to have the same nostalgic memories i have. I have a natural affinity for things of the past. Even down to the furniture i choose on my home.

Question applies to multiple boards

How do you describe your previous advisory board experience?

Chapel Hill Board Experience

What perspective(s) do you bring to the board(s), commission(s), committee(s) or task force(s) to which you are applying?

As a current and past member of the Community Design Commission, I have gained a broad perspective of land planning and development issues. Having been involved from the beginning on evaluating and helping redefine the requirements related to the Blue Hill District, I appreciate the complexity of setting standards and policies that both satisfy the many factions of Chapel Hill citizenry, and the development needs of a town that will continue to grow. The importance of setting policy that will result in everyone feeling a sense of ownership is of tantamount importance. Having also been party to much of the negotiation regarding the Eastowne-UNC Healthcare development agreement, I appreciate the challenges for the town to enhance the experience of town residents while maintaining a collaborative relationship with the University.

Please provide a brief summary of any other relevant qualifications (skills, abilities, interests and/or experience) you bring.

Involvement in town projects have included Chapel Hill 2020, membership on the Obey Creek Compass Committee and participation in developing the design guideline manual for Blue Hill. My skill sets include good listening, communication, team building and interviewing. From many years working in medical research I have statistical and analytical skills as well. I would like the opportunity to continue working to enhance town well being.

Question applies to Historic District Commission

Do you have special interest, experience, or education/training in history, architecture, archaeology, or related fields? If yes, please explain.

In specific regard to suitability for membership on the Historic District Commission I appreciate the need to preserve and protect the parts of Chapel Hill that have historical as well as architectural importance. They are part of the fabric of the entire town that deserve special consideration. My longstanding special interest in architecture has been honed by my Community Design Commission tenure. I grew up in New England with a long tradition of preservation. The house I grew up in was built in 1848. I appreciate historical design elements and preserving their integrity. I am currently a member of the HDC and have served as Deputy Vice Chair for past year and the current year. As a member of the HDC sub-committee that has been working on promoting and enhancing awareness of the historic districts as well as historical events and places within the town, I would like to continue to move that effort forward.
