

Hawkers Chapel Hill
201 S. Estes Dr. Suite 400A
Chapel Hill, NC 27514

Existing restaurant patio to be demolished and rebuilt, facade tiles to be removed and replaced with new material. Paint existing brick, new patio roof and awning at entry. New storefront system, new doors and garage doors at patio area. New transformer enclosure with mural painted. New seating area surrounding a fire pit to match facade materials. New planters added around patio area. New structural footers and columns for transformer surround and patio roof support.
