Re: Request for Hearing with the Planning Commission

Dear Ms. Johnson,

The Chapel Hill Cooperative Preschool respectfully makes application to the Planning Commission for a modification of the "Resolution Approving an Application for a Site Plan Review for the Chapel Hill Cooperative Preschool" dated January 25, 2017 to amend the "Construction Deadline" in paragraph 1 of the "Stipulations Specific to the Development" to provide "That construction begins by July 1, 2018, to be completed by July 1, 2020". This would represent a request for a 5 (five) month modification from the original stipulation. All other conditions contained in the January 25, 2017 Site Plan Approval would remain unchanged.

If there is any further information that you require of us to have this modification request heard by the Planning Commission at its earliest availability, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "A. A. Bachenheimer".
