**Responses to Council Questions**

**ITEM #10: Public Forum: Use of 2021-2022 Community Development Block Grant Funds**

**Council Question:**

Any sense yet of where these sidewalks would be installed under the Neighborhood Revitalization Activities portion of the CDBG funds?

***Staff Response:***

*Neighborhood revitalization is a flexible pool of funding to respond to opportunities during the year. We have not yet identified Neighborhood Revitalization projects for funding. Sidewalks is an example of the type of project which can be funded throughout the year as needs arise using this flexible pool of funding.*
