Responses to Council Questions

ITEM #5: Approve Project Ordinance Amendments to Recognize Capital Financing Proceeds for FY 2020-21

Council Question:

What is a junior tennis court?

Staff Response:

A junior tennis court is a 36' court that allows for youth ages 8 and under to learn and play the sport of tennis. According to the United States Tennis Association, "slower balls, smaller courts and shorter racquets enable young players to rally and play much sooner. Players start to play individual and team games and activities, develop good technique and use simple tactics."
