General Fund (GF)– Fund Balance Results

- Incredibly strong end to FY 2022 attributed to:
 - Conservative budgeting
 - Sales tax growth
 - Personnel savings from vacant positions
- Overall fund balance is up by \$1,937,965 (\$36.3 million)
- Available fund balance is up by \$1,251,831 (\$22.2 million)
- Available fund balance percent is 31.5%

GF - Available Fund Balance

- Available Fund Balance calculation

$$\$22,241,270 / \$70,701,396 = \mathbf{31.5\%}$$

(unassigned fund balance/total expenditures)

- Amount Available to Appropriate per calculation

\$ 22,241,270	unassigned fund balance @ 31.5%
---------------	---------------------------------

<u>(15,554,307)</u>	unassigned fund balance @ 22%
----------------------	-------------------------------

\$ 6,686,963 *

* Not the amount we are recommending to appropriate

GF– Fund Balance Recommendation

- Things to consider when determining amount to appropriate:
 - Each year, budget gets bigger (larger denominator)
 - FY 2022 expenditures were still lower than normal
 - Higher than typical carryforward
- Recommendation
 - Reduce the amount available to appropriate to \$4.0 million

GF– Fund Balance Recommendation

Calculation: \$18.2 million / \$81.3 million = 22.4%
(estimated unassigned fund balance/total expenditures)

Numerator: \$22.2 million FY 2022 unassigned fund balance
 (4.0) million Recommended excess fund balance appropriation
 \$18.2 million

Denominator: \$76.7 million FY 2023 General Fund adopted budget
 (2.5) million Typical year-end savings
 3.1 million FY 2022 carryforward
 4.0 million Recommended excess fund balance appropriation
 \$81.3 million
