**Subject:** Biennium Legislative Goals - Designate Voting Delegate

**External email:** Don't click links or attachments from unknown senders. To check or report forward to [reportspam@townofchapelhill.org](mailto:reportspam@townofchapelhill.org)

Good morning,

The League's member-driven legislative goals development process coincides with the start of each new legislative biennium. During even-numbered years, members come together to submit their legislative goals and priorities. Over the last few months, the Legislative Policy Committee has been considering these ideas and will present its recommendations to the Board of Directors this month. The Board will refine the position further before sending them to the full League membership for a final vote. After the final voting period closes, cities and towns will have a focused advocacy agenda to pursue at the state and federal levels.

### Identify your Municipality's Voting Delegate

You are receiving this email because each member municipality is eligible to cast a single vote in this goal setting process. Each member municipality shall designate one

voting delegate who is responsible for casting the municipality's vote. Take action NOW to designate your municipality's voting delegate by following the link below.

**Voting delegates must be designated by Thursday, January 12, 2023.**

- The designated voting delegate shall receive their credentials and voting instructions.
- The designated voting delegate shall vote on the proposed Legislative Goals package electronically.
- The Legislative Goals will be shared with the membership electronically following the voting period.

**DESIGNATE YOUR VOTING DELEGATE HERE!**

December 15, 2022

Dear NCLM Members,

As this year comes to an end, I am pleased to share with you that the League's legislative goals development process is almost complete. All that remains is for member cities and towns to review the proposed goals and cast their votes—we need your help and participation in this last, and most important, step in the process.

Thank you for the work you have already completed; we have received over 400 ideas from 148 individuals representing 111 municipalities. After the dedicated work by the Legislative Policy Committee to compile and refine the submitted goals, the NCLM Board of Directors has reviewed, approved and now submits [16 proposed legislative goals for your consideration](#).

Your job now is to review and vote on the proposed goals so that cities and towns have a focused state and federal advocacy agenda for the 2023-2024 legislative biennium, which begins in January at the N.C. General Assembly.

Each municipality will cast a single vote by selecting 10 of the [16 proposed advocacy goals](#). To vote, your municipality must:

**STEP 1.**

**Designate a single Voting Delegate who will cast the municipality's vote by January 12, 2022.** If your municipality has not yet designated its Voting Delegate, please do so using [this form](#). Official voting instructions and the ballot will be sent directly to the Voting Delegate.

**STEP 2.**

**Review, discuss and determine which of the proposed legislative goals your municipality supports.** Each municipality may select 10 of the [16 proposed goals](#).

**STEP 3.**

**Submit the online ballot by January 13, 2022.** The [Voting Delegate](#) will receive voting instructions and the online ballot directly.

Thank you for your continued participation in this legislative goals development process, which is so critical to our advocacy efforts. Establishing these Municipal Advocacy Goals with wide participation by all cities and towns allows our organization to speak with confidence and sincerity as we pursue each with state and federal policymakers. It truly allows us to live up to our motto, "Working as one, advancing all."

Sincerely,

Erin Wynia  
Director of Government Affairs
