Go Chapel Hill

Go Chapel Hill partners with bike advocacy groups, UNC, the Town of Carrboro, the

business community, public and private schools, and residents to promote alternative transportation to make Chapel Hill a healthier community for all ages.

Programs and events include

- Bicycle Benefits • Bike in Movie Nights
- Emergency Ride Home
- Coffee on the Corner
- Lighten up Bicycle and Pedestrian Campaign
- And much more!

Visit www.gochapelhill.org to get involved!

Chapel Hill Mobility and **Connectivity Plan** www.townofchapelhill.org/mobilityplan

The Mobility Plan is the Town's leading document for bicycle, pedestrian, and greenway infrastructure investments in the future.

Visit www.townofchapelhill.org/gettingaround to learn more about upcoming bicycle and pedestrian projects

Bicycle Community Partners

APEL M

2018

Welcome

for the environment. In 2018 the League of American Bicyclists named Chapel Hill a Bicycle Friendly Community. This award reflects Chapel Hill's dedication to people who walk, bicycle and use transit.

This map identifies the community's current bicycling facilities and network of greenways. Whether you are a Chapel Hill resident, employee or student looking for a healthier, cheaper or more active way of traveling and exploring the area without a car, you will find this map helpful!

Your comments and suggestions are always welcome.

Greenway Regulations

- Bicycle users should travel on the right side of paved paths. Pass on the left and signal before passing.
- To accommodate other users, hikers should avoid blocking more than half of the trail at any time.
- Please avoid using bicycles on natural surface trails during wet conditions to prevent damage.
- Trails are closed from 30 minutes past sunset to 7 a.m.
- Wildlife and plants along trails are protected and should not be disturbed. Please leave flowers and plants for others to enjoy.
- Motorized vehicles (with the excep-tion of motorized wheelchairs) are prohibited on town trails.
- Dogs are welcome, but must be on-leash. For cleaner trails and healthier

Cedar Falls Trail • Dry Creek Trail
