If you chose "Other" from the advertising opportunity
listed above, please specify specify:

Interests & Experiences

What perspective(s) do you bring to the board(s), commission(s), committee(s) or task force(s) to which you are applying?

I am a first-year student at the University of North Carolina at Chapel Hill studying Environmental Science and Urban Planning. I exclusively rely on public transportation, biking, and walking to move in and out of Chapel Hill, and I do not plan on having a car until my senior year of college.

Please provide a brief summary of any other relevant qualifications (skills, abilities, interests and/or experience) you bring.

I am an Admissions Ambassador and Orientation Leader at Chapel Hill, so it is my goal to bring new students to the University. I believe that a big part of my experience at UNC has been influenced by the town of Chapel Hill, so I want to make sure that the town is accessible and positive for new students. I have taken classes in environmental law and policy as well as urban planning, so I believe that I would be able to help turn public policy into understandable statements for the local community. I am proficient in Microsoft Office, public speaking, and crafting arguments. I am interested in making communities more sustainable and understanding the interactions between growing businesses and the environment.

Ethics Statement

ETHICS GUIDELINES FOR TOWN ADVISORY BOARDS AND COMMISSIONS

Members of advisory boards and commissions shall not discuss, advocate, or vote on any matter in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if a member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. In addition, members of the Historic District Commission and Board of Adjustment, when these boards are hearing cases, serve as quasi-judicial bodies. Pursuant to State Statute 106A-388(e)(2), members of these boards “shall not participate in or vote on any quasi-judicial matter in a manner that would violate affected persons’ constitutional rights to an impartial decision maker. Impermissible violations of due process include, but are not limited to, a member having a fixed opinion prior to hearing the matter that is not susceptible to change, undisclosed ex parte communications, a close familial, business, or other associational relationship with an affected person, or a financial interest in the outcome of the matter.”

Any member who violates these Ethics Guidelines may be subject to removal from the board or commission. If the advisory board or commission member believes he/she has a conflict of interest then that member should ask the advisory board or commission to be recused from voting. The advisory board or commission should then vote on the question on whether or not to excuse the member making the request. In cases where the individual member or the advisory board or commission establishes a conflict of interest, then the advisory board or commission member shall remove themselves from the voting area. Any advisory board or commission member may seek the counsel of the Town Attorney on questions regarding the interpretation of these ethics guidelines or other conflict of interest matters. The interpretation may include a recommendation on whether or not the advisory board or commission member should excuse himself/herself from voting. The advisory board or commission member may request the Town Attorney respond in writing.

☒ I Agree *

Applications will be kept on file from July 1st to June 30th of the same fiscal year. Please reapply each fiscal year if you are still interested in serving on an Advisory Board, Commission, Committee or Task Force and have not yet been appointed.

EDUCATION

UNIVERSITY OF NORTH CAROLINA at Chapel Hill

May 2022

BS Environmental Science, GPA 3.8

- Carolina Scholarship Recipient
- Honors College Student
- National Merit Scholar
- Dean's List | Fall 2018

EXPERIENCE

NEW STUDENT AND FAMILY PROGRAMMING – Chapel Hill, NC

January 2019 -

New Student Orientation Leader

- Developed an oral presentation providing techniques that promote discussion surrounding diversity and inclusion and presented to 100+ future orientation leaders at the Southern Regional Orientation Workshop

DIG LOCAL ASHEVILLE – Asheville, NC

January 2018 - August 2018

Asheville's App to find all Local Businesses

Marketing Analyst and Sales Support

- Developed and successfully implemented 2 original marketing plans to grow brand awareness, increasing the follower counts on Dig Local's Facebook and Instagram pages by 2,000+ and 3,000+ followers, respectively
- Established partnerships with 4 high-traffic hotels, providing direct access to the Dig Local app and website for 250,000+ visitors annually on Dig Local sponsored iPads strategically placed in the hotel lobbies
- Organized a promotional video shoot with 25 local businesses
- Acquired 53 new accounts for Dig Local and identified 200+ potential business clients for the Dig Local marketing program, providing \$60,000+ in economic value to the company and identifying \$200,000+ in potential revenue
- Supported the 200+ member accounts of Dig Local in a professional manner, providing promotional materials, marketing advising, and answering member questions, creating the promotional materials using Canva and the Adobe Creative Cloud Suite
- Designed and managed the Dig Local blog and merchandise store through Shopify

THE ELUMENATI – Marshall, NC

September 2017 - February 2018

360-Degree Visualization Development Company

Visualization Development Intern

- Designed and programmed the *Exploring the Planets* exhibit for the Smithsonian National Air and Space Museum; an exhibit that will remain in the museum for 10 years, educating 9+ million visitors annually about our solar system
- Fulfilled design constraints set forth by the Museum to great satisfaction and delivered the final product 3 weeks before the proposed deadline; the project was installed in February of 2018
- Adapted to additional needs expressed by the Museum, offering 12 different revisions of the exhibit
- Developed a robust visualization of Earth's ocean patterns and cloud cover using Google Earth, proprietary GIS software, Adobe Photoshop, Adobe Illustrator, and Adobe Lightroom

LEADERSHIP AND COMMUNITY INVOLVEMENT

UNC Undergraduate Admissions Office, Admissions Ambassador, Chapel Hill, NC

October 2018 -

- Gives weekly or bi-weekly tours to 8000+ prospective students, striving to authentically and positively reflect the University's core values as member of the diverse student body
- Assists in leading panels and partaking in UNC's Admitted Student Day by welcoming prospective students and family members to the university and relaying personal Carolina stories based on my journey to UNC

THE SONDER MARKET, Sales Volunteer, Chapel Hill, NC

February 2019 -

- Operates the Sonder Market Stand weekly to sell fresh produce to members of the UNC community in an effort to increase the availability of nutritious food on campus

ADDITIONAL INFORMATION

- Proficient in Python
- ENFP (Campaigner) Meyers-Briggs Type
- Top 5 Gallup StrengthsFinder Strengths | Empathy, Developer, Includer, Learner, Communication

Interests & Experiences

What perspective(s) do you bring to the board(s), commission(s), committee(s) or task force(s) to which you are applying?

I currently serve on the Community Design Commission and believe I have contributed meaningfully to the discussion and understanding of projects. My interest and education are in planning and urban design. My professional experience in real estate development and management provides additional perspective to the feedback to applicants.

Please provide a brief summary of any other relevant qualifications (skills, abilities, interests and/or experience) you bring.

Having served on the CDC for several years, I understand some of the shortfalls of the entitlement process in Chapel Hill, and I am interested in shaping the process as the town looks to update its Land Use Management Ordinance.

You may upload a supporting document (e.g., CV or resume). **Please be advised that any information submitted becomes a public record and may be searchable online.**

Interests & Experiences

What perspective(s) do you bring to the board(s), commission(s), committee(s) or task force(s) to which you are applying?

My desire to serve on the Planning Commission comes from the observation that the developers that come before the town tend to have an advantage in presenting their building priorities. Growing up in Chapel Hill as the son of an Architect who focused on restoration I was exposed to many of the parameters that once guided the panning of our town. I have spent thirty years of my life understanding material, labor, and costs associated with the built environment. Locally I have worked with builders such as Cam Ward, craftsmen like Scott Bertram, and property owners such as CHCPS. Nationally I spent three years in California restoring, remodeling, and retrofitting historic homes in Berkeley and another five years at Yale serving on the faculty of the Architecture School. I am certainly capable of deciphering the priorities of developers in relation to those of our town and communicating them in a way that is logical and fair. I am also capable of understanding and communicating what expectations are feasible, reasonable and achievable for a developer in our community.

Please provide a brief summary of any other relevant qualifications (skills, abilities, interests and/or experience) you bring.

Recently I was elected VP of the FPG PTA. For the last two years I served on the Frank Porter Graham Bilingue SIT. Before that I was on the Chapel Hill Cooperative Preschool board of directors for three years. I am also experienced with downtown Chapel Hill - raised on North St. and worked for just about every establishment on Franklin. I believe in being open to the facts and fair with my assessments. I have a keen sense of how to decipher information and communicate it effectively.

I am a current member.

If you chose "Other" from the advertising opportunity listed above, please specify specify:

Interests & Experiences

What perspective(s) do you bring to the board(s), commission(s), committee(s) or task force(s) to which you are applying?

Please consider my application to continue serving on the Community Design Commission for an additional term. During my current term, I have come to appreciate the very important work the CDC contributes in promoting good design as Chapel Hill continues to grow, and its development approval process evolves to handle this growth. The CDC is especially important to the Form Based Code process in the Blue Hill District, as this new approach shapes the redevelopment of this gateway area to our town. I believe that the CDC members have worked increasingly well together in providing diverse points of view to improve the design of the projects and processes we consider. My experience and perspective as an architect helps these discussions, and I am interested in continuing in this role. As reference information I am including my last application to serve, since most of the information still applies: Chapel Hill has been my home since 1977, and I started my architecture firm in 1983 on Franklin Street. I have always combined design, building and development and have created a number of projects, both residential and commercial, throughout the Town. At this point in my career, I am interested in contributing my experience and knowledge to the future of our community, and I believe that the Planning Commission would be the best fit for my involvement. The Community Design Commission might also be a good fit. I bring extensive experience in many aspects of design, planning, building and real estate development. My firm prepared the Design Guidelines for Downtown Carrboro in the early 1990's, and this project won an award from the APA for Small Community Planning. I have participated in Urban Design Assistance Teams with the AIA in Wake Forest and LaSalle, and I led the UDAT effort in Southport. All of these projects involved significant community involvement through charrettes, research and meetings, and they culminated in the production of final plans in written and graphic formats for future consideration and use by the communities' governing boards. Most recently I served on the Steering Committee for the Central West Focus Area. This experience allowed me to become very familiar with the current planning issues which are important in the Town's future development, and I believe that our final report will be very useful to the Town as it considers the evolution of this and other focus areas throughout the Town. Please visit my website lcaarchitecture.com to learn about my work and design ideas over the past years. My resume is also available on the site. Thank you for your consideration. Lucy Carol Davis, AIA

Please provide a brief summary of any other relevant qualifications (skills, abilities, interests and/or experience) you bring.

For many years I have been a local resident, architect in private practice, real estate developer and builder. Please see my resume on my website: LCDAArchitecture.com

Ethics Statement

ETHICS GUIDELINES FOR TOWN ADVISORY BOARDS AND COMMISSIONS

Members of advisory boards and commissions shall not discuss, advocate, or vote on any matter in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if a member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. In addition, members of the Historic District Commission and Board of Adjustment, when these boards are hearing cases, serve as quasi-judicial bodies. Pursuant to State Statute 106A-388(e)(2), members of these boards “shall not participate in or vote on any quasi-judicial matter in a manner that would violate affected persons’ constitutional rights to an impartial decision maker. Impermissible violations of due process include, but are not limited to, a member having a fixed opinion prior to hearing the matter that is not susceptible to change, undisclosed ex parte communications, a close familial, business, or other associational relationship with an affected person, or a financial interest in the outcome of the matter.”

Any member who violates these Ethics Guidelines may be subject to removal from the board or commission. If the advisory board or commission member believes he/she has a conflict of interest then that member should ask the advisory board or commission to be recused from voting. The advisory board or commission should then vote on the question on whether or not to excuse the member making the request. In cases where the individual member or the advisory board or commission establishes a conflict of interest, then the advisory board or commission member shall remove themselves from the voting area. Any advisory board or commission member may seek the counsel of the Town Attorney on questions regarding the interpretation of these ethics guidelines or other conflict of interest matters. The interpretation may include a recommendation on whether or not the advisory board or commission member should excuse himself/herself from voting. The advisory board or commission member may request the Town Attorney respond in writing.

☒ I Agree *

Applications will be kept on file from July 1st to June 30th of the same fiscal year. Please reapply each fiscal year if you are still interested in serving on an Advisory Board, Commission, Committee or Task Force and have not yet been appointed.

Jeffrey C. Hoagland

220 Elizabeth street unit G14
Chapel Hill NC, 27514
jchoagla@gmail.com
(910) 612-5282

Education

North Carolina State University, Raleigh, NC
Bachelor of Science in Physics
Graduated: Spring 2009

Work Experience

Cree, Inc. | Durham, NC

Process Technician, May 2013 - Present

- Maintain cleanliness and accuracy of machines and operators that clean and measure silicon carbide wafers
- Received two Green Awards for spotting and applying solutions to problems in production
- Verify that all operators on shift have requisite training and certification
- Draft reports citing errors and issues with procedures, or executions thereof, when necessary
- Update procedures when necessary
- Use JMP software to analyze data and modify spreadsheet information

The American National Red Cross | Durham, NC

Blood Technician, June 2012 - April 2013

- Operated various machines used in the manipulation of blood components
- Handled procedures involving centrifuges and extractors
- Sanitized storage units, including freezers and refrigerators

Los Alamos National Laboratory | Los Alamos, NM

Intern/Contract Scientist, June 2009 - March 2012

- Worked with others in varying experiments, data analysis and presentations
- Coauthored four academic papers on the subject of ultracold neutrons
- Powered 130 kilojoule magnets superconducting with liquid helium
- Tuned an RF generator to allocate and filter neutrons by spin in a magnetic field
- Learned to work safely with various cryogenic materials, including liquid helium, liquid nitrogen and hydrogen
- Maintained and operated standard helium liquefiers, including models L1610 and LR1420
- Operated and maintained multiple logic controller units
- Designed motherboards and chip boards for neutron and electron detectors, as well as voltage differential readouts
- Used and maintained 560 nanometer blue lasers

- Developed auto-fill systems for superconducting magnets

Lab Skills and Training

Cryogenic usage and safety training

High amperage electronics training

High magnetic field training

Familiarity with power tools, oscilloscopes, voltmeters, multimeters and other basic lab tools

Inboard and through-hole soldering

Pneumatic tool usage

Experience using radiation PPE

Language and Software Knowledge

C++ - Visual C++ - Linux (Ubuntu, Debian and Red Hat) - Microsoft Windows (XP, Vista, 7, 8, 8.1) Microsoft Office Suite - Adobe Suite - Maple - MATLAB - SolidWorks
Linux ROOT (data analysis) - SAS Jump - PCP Express - LabVIEW
Open Source Alternatives

Miscellaneous

US citizen - Fluent in English - Security clearance - Highly sophisticated mechanical and electronics expertise - Computer construction, repair and maintenance abilities
Comfortable working on very small devices and projects with fine details - Project management experience - Team leadership background

Profile

Whenever possible, applications should be submitted prior to the scheduled meeting of the affected advisory board so that they can consider all applications prior to making a recommendation to Council.

Residency within the Town limits is required for membership on most Council advisory bodies. Memberships of some committees and task forces may be composed of up to forty percent of non-Town residents.

What district do you live in? *

☒ Chapel Hill Town limits (Purple)

[Please consult the town maps HERE if you are unsure.](#)

If you are a Chapel Hill Resident, How long have you lived here?

☒ 4-9 years

The Council encourages you to visit a meeting of the group that you are interested in serving on. Please choose no more than two groups from the list below to which you would like to apply.

Which Board is your First Choice? *

☒ Community Design Commission

Which Boards would you like to apply for?

Community Design Commission: Eligible
EZ Rider Advisory Committee: Eligible

Question applies to Community Design Commission

Select a Seat Category for the Community Design Commission *

☒ Chapel Hill Resident

Question applies to EZ Rider Advisory Committee

Are you a consumer of the EZ Rider service?

☐ Yes ☒ No

Question applies to EZ Rider Advisory Committee

Where do you work or study? *

☒ None of these apply

How did you find out about this opportunity? (select all that apply by holding down the shift key)

- ☒ Advisory Board or Council member
☒ Other (provide additional information below)

Polly

If you chose "Other" from the advertising opportunity listed above, please specify specify:

Interests & Experiences

What perspective(s) do you bring to the board(s), commission(s), committee(s) or task force(s) to which you are applying?

As a resident of the Town of Chapel Hill I am very interested in preserving the charm, grace and character of the town that I live in. At the same time, growth of this town is unavoidable and needs to be carefully controlled in a systematic manner. I have been active in the petition that resulted in the purchase of the American Legion property for the purpose of providing more park and open space for the residents of Chapel Hill and will continue to do so. My engineering design background will be a benefit to the Planning Commission for providing detailed pragmatic reviews of upcoming plans and proposals along with the visual design aspects of this work. I am also applying for the EZ-Rider Advisory board because i believe this is an important feature of living in Chapel Hill that needs thoughtful attention. I was a former EZ-Rider user.

Please provide a brief summary of any other relevant qualifications (skills, abilities, interests and/or experience) you bring.

Victor Lancaster's comprehensive experience encompasses over 10 years in design, development and production of several class II and III medical devices (Model 101 capillary electrophoresis, LWA and SP-1 instruments, Cycle and Tango blood pressure monitors, Mark 1 dental preparation appliance and BioFlash chromatography column) along with missile and space systems heat transfer/thermal design and development (heat pipe manifold design currently in orbit on the Space Station). This experience also includes ideation through commercialization of new and innovative concepts in the context of pragmatic documentation of DFRC, DFM/A, DFS and MCBF services to rigorous FDA, ISO, MDD, IVDD and EU requirements for Fortune 500 and venture funded firms. Mr. Lancaster's expertise more recently involved the conjugate flow/thermal problems (CFD) in next generation AV/telecommunication and Internet servers, John Deere Commercial mowers, Gilbarco fuel delivery systems and passenger train brake systems. Patents and Publications US Patent 6,171,486 "Liquid Chromatography Column" and European Patent "Chromatography Media Packing System", 08/970,286. Lancaster, V. R. & Modlin, D. N., Flow Cells for Bioanalytical and Bioprocess Applications with Optimized Dynamic Response and Flow Characteristics, ASME Fluids Division Summer meeting, June 1994.

Office: 919-903-8404

PROFESSIONAL EXPERIENCE

GLG Councils, Gerson Lehrman Group, NY, NY

Engineering Consultant

2007 - Present

- Providing as needed part time design/consulting services via the internet to several venture fund advisors seeking to invest in emerging medical device companies and technologies. Design services utilize SolidWorks and Pro/Engineer design tools for polymer and metallic parts.

TecTran Brake/CES, Burlington, NC

Mechanical Design Engineer

6/2014 – 9/2015

- Mechanical Design Engineer responsible for creating and developing part and assembly models and drawings/illustrations (300+) using CREO 3.0 producing part, service and maintenance manuals for Siemens/Portland passenger train brake system.
- Designed, developed and outsourced build of Siemens/Calgary passenger train brake systems' bushing assembly tools and fixtures to ANSI B4.1, B4.2, GD&T, and ASME Y14.5. Also, designed track brake shock and vibration fixture for IEC-61373 shock and vibration testing.
- Calculated Belleville washer preload force for determining VDI 2230 bolt torques to retract brake pads.
- Developed initial dual piston hydraulic caliper concept and layout for newest Siemens/Calgary passenger train brake.

Gilbarco, Inc./Aerotek, Greensboro, NC

Design Specialist 3/2013 – 7/2013

- Mechanical Engineer responsible for design changes of electro-mechanical fuel dispensing products and design verification/validation of Pro/E models, part and assembly drawings using GD&T, PTC CREO 2.0 with Windchill 10.1/PDMLink . Work includes direction and organization of new part design, SLA/3D printing or machined prototyping of electro-mechanical subassemblies, redesign of injection molded and sheet metal parts and planning and initiation of design reviews and DFMEA reviews with multiple discipline teams.

John Deere/Entegee, Fuquay Varina, NC

Mechanical Design Engineer

7/2012 - 8/2012

- Mechanical Engineer responsible for project management of electro-mechanical ruggedized commercial mower attachment kits and design verification of Pro/E models, part and large (5000 parts) assembly models and drawings using Pro/E WF 4 with Windchill/INTRALINK 9.1. Work included BOM verification of label kits for worldwide customers, placement of labels in Pro/E assembly models while working with multiple departments.

Meggitt Training Systems/HCLA, Cary, NC

Mechanical Design Consultant

4/2011 - 4/2012

- Lead Mechanical Engineer for BATUS SAT, SIT, MAT and MIT automated electro-mechanical ruggedized outdoor live fire targeting products for military customers. Responsible for project milestones to complete Pro/E models, part and assembly drawings of precision welded sheet metal and machined components for demonstration and production units using Pro/E CREO 1, WF 5 with Windchill/INTRALINK 9.1. I provided structural/dynamic analysis of crash stop safety subassembly for MAT vehicle. I created Pro/E models of SA 80 electro-mechanical thermal sight system and laser light module. Work included ideation of solutions to design problems to accommodate new vendor capabilities. ITAR certified.

Porticos/A Prime Solutions, Morrisville, NC

Design Engineer

1/2011 - 3/2011

- Completed preliminary CFD conjugate fluid/thermal finite element analysis on DOE funded residential electro-mechanical dryer using CFdesign 2011 version and SolidWorks 2010. Analysis indicated unique design to be plausible and capable of exchanging vacuum generated waste heat into heat for drying clothing.

Montie Design, Morrisville, NC

CFD Consultant

5/2010 - 12/2010

- Performed DFM/DFA analysis, MCBF evaluation and analysis and BS/EN/IEC 60601, ISO 14971, and FDA 21 CFR part 11 assessments of the Intuity glucometer precision polymer gear mechanism, a class II medical device, for Buhler Motors.
- Completed CFD conjugate fluid/thermal analysis on Extreme networks electro-mechanical audio/video server, BlackDiamond 8X (25 Ghz) using SolidWorks 2011 and CFdesign 2011 demonstrating compliance to NEBS GR-63-CORE, ETS 300-019, GD&T and MRD requirements.

IBM/CTG - Research Triangle Park, NC**Design Engineer**

8/2007-10/2007

- Completed design and performed fit checks on injection molded polymer and sheet metal components, from an Engineer who left unexpectedly, using Pro/E Wildfire 3.0 and Mathcad for IBM 1U and 2U next generation blade e-servers. Deflection and force analysis on polymer components was also performed.

SUNTECH MEDICAL INC./NDSL - Morrisville, NC**Product Engineer**

2005-2007

- Directed a 4-8 person cross functional product development team to complete design and successfully transfer to production the Cycle electro-mechanical blood pressure monitor. This work included Phase 5 review, FDA accepted 510K submission, CE/UL/CSA/TUV & CB certification to class II medical device, for ergometer applications to BS/EN/IEC 60601, ISO 9001, ISO 13485, ISO 14971, MDD, FDA 21 CFR 820 and ISO 9919 standards. The Phase 5 review included review and release of electrical/electronic schematics, flow diagrams and part and assembly drawings along with design history, technical information files and completion of performance tests to EN 1060-1 &-3 and AAMI SP-10: 2002.
- Directed the development of the redesign of the Oscar 2 blood pressure monitor intended for 24 hours of patient wear. The redesign included wireless transmission of BP measurements root cause analysis changes.

BD BIOSCIENCES – San Jose, CA**Project Engineer/Manager**

1998–2005

- Directed 8-12 person engineering/plastics/SW/FW engineering team to design, development and transfer to production a new product, the FACS Lyse Wash Assistant™ (LWA), an automated IVDD clinical blood lyse dispense/cell wash electro-mechanical instrument which used DOE optimized vertical centrifugation to separate white blood cells from whole blood and in compliance with 21CFR 820.
- Successfully obtained CE/UL/CSA/TUV CB certification of the IVDD SP-1™, European built clinical automated aliquot electro-mechanical instrument and LWA instrument using BS/EN/IEC 60601, ISO 9001, ISO 13485, ISO 14971.
- Scheduled, conducted and documented peer design reviews (FMEA, DFS & DFM), hazards and risks analysis, customer site visits and surveys in a multi-discipline matrix environment.

CORE COMPETENCIES

- Product design, development, documentation, production, performance, reliability, clinical and regulatory testing of IVDD and MDD medical devices and laboratory instruments from concept to commercialization.
- Proficient with CFXDesign 2011, SolidWorks 2004-2011, Pro/MECHANICA, Pro/ENGINEER CREO 3.0, WILDFIRE 5 (Introduction, Advanced Part, Assembly & Surfacing courses by RAND) Windchill 10.1, PDMLink, COSMOS, CAEDS, CATIA, AutoCAD, MS Office suite & Project, OpenOffice, SINDA, FLOWTHERM, TRASYS, Mathcad Prime, SAP, LOTUS NOTES, VISIO, Costpoint, Visual Basic, NI LabVIEW, Rational/Rational Rose, IssueView & VxWorks.

EDUCATION, PATENTS & PUBLICATIONS

- Master of Science, Mechanical Engineering, University of Santa Clara
- Bachelor of Science, Mechanical Engineering, San Jose State University
- Registered Professional Mechanical Engineer, M-20947, Certified Energy Auditor & Toastmaster. Liquid Chromatography Column, US patent 6,171,486.

Chromatography Media Packing System, 08/970.286.

What perspective(s) do you bring to the board(s), commission(s), committee(s) or task force(s) to which you are applying?

I have a Masters in Urban Planning with a focus on community development and a passion for urban design issues. I'll be able to bring a perspective that balances aesthetics, equity, and environmental stewardship.

Please provide a brief summary of any other relevant qualifications (skills, abilities, interests and/or experience) you bring.

I have two years of experience in community planning in Missoula, Montana and a Masters in Urban Planning degree from Harvard Graduate School of Design. I'm currently a doctoral student in City and Regional Planning at UNC. I would love to be able to contribute my design and urban planning skills to the commission.

Interests & Experiences

What perspective(s) do you bring to the board(s), commission(s), committee(s) or task force(s) to which you are applying?

I have lived in Chapel Hill this time since 1993. For 16 years I lived in the Rocky Ridge Farm National Register District. Prior to that we lived in Stoneridge and before that at Sharon Heights Apartments. I bring a broad perspective as a citizen with focus on historic preservation and town history. I am interested in creating a community that maintains its unique character and unique look and feel that makes this such a wonderful community. At the same time, we need to carefully consider how to grow this community and still maintain that character. This is a challenging situation but one that is essential. It's about buildings, space, trees, preservation, and growth. Every single element helps us sustain some of our town character and still move forward. I am particularly interested in maintaining community spaces that are vibrant and exciting downtown as well as around town and still ensure that we maintain plantings, trees and space that and other elements that provide a special look and feel to this community. I am currently serving on the CDC, fulfilling a seat that was a partial term.

Please provide a brief summary of any other relevant qualifications (skills, abilities, interests and/or experience) you bring.

As a consultant, I spent five years facilitating design/build planning meetings for towns, NC State transportation projects, Army Corps of Engineers and other building projects throughout NC and the East Coast. Former President of Preservation Chapel Hill Former President of Chapel Hill Historical Society 16 years living at 400 Laurel Hill Road Our decision to move to 140 West is based in our belief that we need a vibrant downtown In my current work, I head US Operations for a small global learning and development firm. My work has provided me the opportunity to spend time in many locations across US and in UK. Those experiences also fuel my interest in how we shape the look and feel of our community as we move forward.

Are you a Town of Chapel Hill employee?

☐ Yes ☒ No

Ethics Statement

ETHICS GUIDELINES FOR TOWN ADVISORY BOARDS AND COMMISSIONS

Members of advisory boards and commissions shall not discuss, advocate, or vote on any matter in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if a member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. In addition, members of the Historic District Commission and Board of Adjustment, when these boards are hearing cases, serve as quasi-judicial bodies. Pursuant to State Statute 106A-388(e)(2), members of these boards “shall not participate in or vote on any quasi-judicial matter in a manner that would violate affected persons’ constitutional rights to an impartial decision maker. Impermissible violations of due process include, but are not limited to, a member having a fixed opinion prior to hearing the matter that is not susceptible to change, undisclosed ex parte communications, a close familial, business, or other associational relationship with an affected person, or a financial interest in the outcome of the matter.”

Any member who violates these Ethics Guidelines may be subject to removal from the board or commission. If the advisory board or commission member believes he/she has a conflict of interest then that member should ask the advisory board or commission to be recused from voting. The advisory board or commission should then vote on the question on whether or not to excuse the member making the request. In cases where the individual member or the advisory board or commission establishes a conflict of interest, then the advisory board or commission member shall remove themselves from the voting area. Any advisory board or commission member may seek the counsel of the Town Attorney on questions regarding the interpretation of these ethics guidelines or other conflict of interest matters. The interpretation may include a recommendation on whether or not the advisory board or commission member should excuse himself/herself from voting. The advisory board or commission member may request the Town Attorney respond in writing.

☒ I Agree *

Applications will be kept on file from July 1st to June 30th of the same fiscal year. Please reapply each fiscal year if you are still interested in serving on an Advisory Board, Commission, Committee or Task Force and have not yet been appointed.

STATE OF NORTH CAROLINA
COUNTY OF ORANGE

OATH OF OFFICE

I, SUSAN L LYONS, do solemnly swear (or affirm) that I will support and maintain the Constitution and laws of the United States, and the Constitution and laws of North Carolina not inconsistent therewith, and that I will faithfully discharge the duties of my office as a member of the COMMUNITY DESIGN COMMISSION, so help me God.

Susan L Lyons
Signature

The above oaths were subscribed and sworn to before me this the 4th day of October, 2018.

Karina M Tebalan Morales

Interests & Experiences

What perspective(s) do you bring to the board(s), commission(s), committee(s) or task force(s) to which you are applying?

I have served as Planning Board Chair in Newbury, Massachusetts. I was Assistant Exec. Director of the San Jose CA. Redevelopment Agency and proposed and reviewed projects for economic and design appropriateness. I was a real estate developer in Boston and developed numerous housing and mixed use projects. I have taught City Planning and Urban Design at Boston University. I believe that it is imperative that new projects fit into the urban neighborhoods in which they are to be located and that Contextual Architecture is usually the best approach when considering new buildings.

Please provide a brief summary of any other relevant qualifications (skills, abilities, interests and/or experience) you bring.

See attached. I am interested in the Design Commission or Planning Board

PROFESSIONAL EXPERIENCE:

2011 to 2018 TOWN OF NEWBURY PLANNING BOARD

Member 2011 to 2013
Chairman 2013 to 2018

2014 to 2018 MERRIMACK VALLEY PLANNING COMMISSION

Commissioner (representing Newbury)

**2008- 2010 ASSISTANT EXECUTIVE DIRECTOR- SAN JOSE
REDEVELOPMENT AGENCY**

The San Jose Redevelopment Agency was the second largest Agency in California with a 5 year budget of over \$2 billion. The Agency along with all Redevelopment Agencies in California was dissolved by the Legislature in 2010 in order to address the State's \$16 billion budget shortfall. The Agency's Economic Development Program focused on retention and attraction of start up companies through its award winning Business Incubators as well as attraction of more established companies such as Cisco, Adobe and Ebay. San Jose's Biocenter and Environmental Incubator received the NBIA's Incubator Of The Year Awards. Since being created in 2004 Biocenter companies raised over \$800 million from Venture Capital and Angel Investors. Twenty percent of all Agency funds were directed to affordable housing and from 1994 to 2010 twelve thousand affordable units were built.

The Agency invested heavily in Green Technology companies through equipment reimbursement grants to emerging companies to locate R&D and early manufacturing functions. Over 3,000 Green Tech jobs were created.

**2001 - 2007 DEPUTY EXECUTIVE DIRECTOR - SAN JOSE
REDEVELOPMENT AGENCY**

Direct oversight and responsibility for the Agency's Real Estate, Negotiations, Industrial and Neighborhood Development Divisions. Coordinated the Agency's acquisition and relocation programs for the award winning San Joe City Hall designed by Richard Meier.

Responsible for retention and attraction of businesses and companies to San Jose including the retention of Ebay and IDT and the attraction of Nanosolar a start up emerging technology company. Oversaw the completion of the Biotechnology Incubator.

The Deputy Executive worked with developers for the construction of housing, especially in Downtown San Jose and its Neighborhood Business Districts where 3800 and 4400 housing units respectively were built. One thousand high-rise units were built with Agency assistance through development agreements.

1994 - 2001

**DIRECTOR - NEIGHBORHOOD AND INDUSTRIAL DEVELOPMENT,
SAN JOSE REDEVELOPMENT AGENCY**

Created Implementation Plans and budgets for five Neighborhood Business Districts. Managed investment of \$30 million in development deals, façade grants, loans and streetscapes. Assisted developers for new housing to augment purchasing power within the business districts. Initiated the City's Strong Neighborhood Initiative (SNI) and funded 22 Neighborhood Master Plans for \$2,000,000. Created first time home-buyer and housing rehabilitation programs with Board approved budget. Over \$100,000,000 Agency funds were invested in these SNI areas.

Identified companies most likely to expand in Silicon Valley and implemented direct contact campaign based on City Council approved Plan. Over eleven million square feet of space was created in two redevelopment project areas and tax increment doubled. Developed infrastructure costing \$70 million to encourage new, and support existing, companies. Developed gap financing and loan programs for emerging software and hardware companies. Developed a \$50 million funding strategy for a new assessment district to construct utilities and roads for an additional 200 acres of industrial land.

1982 - 1994

VICE PRESIDENT - KENNEY DEVELOPMENT COMPANY, Boston

As Limited Partner or Project Manager was involved with the development of over \$100 million worth of housing and commercial projects most of which were historic renovations including several projects which received design awards. Served as consultant for over \$100 million worth of ongoing or planned development. Specific examples include:

Burroughs Wharf, Boston, Mass. - \$50 million residential project on Boston's waterfront, including the creation of two piers, underground parking and two separate "finger pier" buildings.

Navy Yard Plaza, Charlestown, Mass. - A 250,000 square foot, mixed use complex developed over a five-year period (1985-1990). Formerly vacant warehouses, all four buildings are listed as National Landmarks and one project, the Paris Building, received the Preservation Award from the Massachusetts Historic Commission for 1991.

Urban Renaissance Properties, Boston Mass. - A Limited Partner in the conversion of four former school buildings into 124 housing units. Dartmouth Square, located in Boston's South End received Builder Magazine Project Award for 1986. All four structures are Landmark Buildings.

Boston University - Plan preparation and public approvals for the development of 1,000 units of housing, a 500,000 square foot athletic complex and a 1,300 space underground parking facility on the former Commonwealth Armory.

1976-1982

**CITY OF BOSTON: DIRECTOR - BOSTON NEIGHBORHOOD
DEVELOPMENT AGENCY**

This agency oversaw the planning and budgeting for Boston's neighborhoods including economic development and housing loan funds using a variety of funding sources including the Block Grant and Capital Budget. The staff of over 200 employees included planners, designers, managers and administrators who also allocated grants to locally based Community Development Corporations. Annual budget varied between \$40 and \$60 million. (1980 dollars).

1974 - 1976

**DIRECTOR OF COMMUNITY PLANNING - BOSTON
REDEVELOPMENT AUTHORITY**

Responsible for planning staff working within Boston's neighborhoods. Worked with residents, community groups and existing City agencies in formulating overall Preservation and Development Plans for 18 Neighborhoods.

1972 – 1974

**NEIGHBORHOOD PLANNER – BOSTON REDEVELOPMENT
AUTHORITY**

Working with neighborhood associations, developed policy and investment strategies to address Institutional red-lining and disinvestment problems in Boston's Dorchester and Roxbury neighborhoods.

1970—1972

EDWARDS AND KELCEY Boston Mass. Planner

Projects included the Master Plan for the City of Beverly, several Airport Master Plans and Environmental Impact Reports, including the first produced for the State of Maine (for a highway bypass in Harrington, Maine.)

1968—1970

WESTCHESTER COUNTY PLANNING COMMISSION Planner

TEACHING: (SCHOOLS AND COURSES)

2010 to 2016	BOSTON UNIVERSITY -Development and the Planning Process -Urban Land Use Policy and Planning
1999 and 2009	SAN JOSE STATE UNIVERSITY -Small Business/Neighborhood Development -Urban Community Development
