I have years of experience with community programming. I have board governance experience. I am a performer myself. I also have an academic background in folklore and ethnomusicology and have been involved with historic community preservation work, most recently in Austin, Texas.

Question applies to Historic District Commission

Do you have special interest, experience, or education/training in history, architecture, archaeology, or related fields? If yes, please explain.

I have special interest, experience and education in history, preservation, and community program. My academic background in folklore has given me extensive experience in not only determining the historical significance of a building or community, but in understanding the public messaging that should surround a successful public announcement of these kinds of decisions.

Question applies to multiple boards

What perspective(s) do you bring to the board(s), commission(s), committee(s) or task force(s) to which you are applying?

Having been a resident of Chapel Hill for more than 50 years, I've seen changes in the town as few others can visualize. Now retired, I was a Chapel Hill police officer for 20 yrs and 32 yrs.as Orange Co.Deputy Sheriff/Investigator. My perspective of Chapel Hill and Orange Co. begins in another time, place and atmosphere when the town was in fact a "village" as it proudly proclaimed then.

Please provide a brief summary of any other relevant qualifications (skills, abilities, interests and/or experience) you bring.

As one who was here when Chapel Hill city limits ended at Boundary st., when most streets/road in Chapel Hill were 2 lane roads, as Airport Rd once was or when Eastgate was still a swamp and WCHL radio signed on at 6 AM off at 6 pm. As retired law enforcement officer the abilities/skills and organization, procedures to logically approach problems, circumstances in exploring solutions, remedies or answers to formidable questions.

Do you have special interest, experience, or education/training in history, architecture, archaeology, or related fields? If yes, please explain.

I have been a student of history all my life especially regarding history of Chapel Hill, knowledge from many who actually lived and participated in events in Chapel Hill going back to the early 1900's. I held direct conversations with individuals as eyewitnesses to events, history of Chapel Hill. The late W.D. Blake, Police Chief of Chapel Hill and I once considered and compiled information to write a book about Chapel Hill long ago. Chief's health problems became serious, I as police officer directing traffic at Mallett St/Cameron Ave. during UNC/Marquette Nat'l basketball championship game was struck by a car. In out of hospitals for 2 yrs, Chief Blake died; so it seems our project to write about unknown history of Chapel Hill.
