RESOLUTION B - DENYING DIMENSIONAL VARIANCE

RESOLUTION DENYING AN APPLICATION FOR VARIANCE FROM DIMENSIONAL REGULATIONS ON PROPERTY LOCATED AT 625 BROOKVIEW DRIVE (PIN 9880-71-9214, PROJECT #20-080)

WHEREAS, having reviewed the applicant's argument and various documents and other evidence submitted at the hearing on this matter, and having heard public comment on the application, the Board of Adjustment finds as facts those facts summarized by the Chair at the conclusion of the Board's hearing of this matter and hereby incorporates them by reference as Board Findings of Fact; and finds that such facts are supported by competent, material, and substantial evidence presented to the Board; and

BE IT RESOLVED by the Board of Adjustment of the Town of Chapel Hill that, having considered the requested variance from dimensional regulations, at 625 Brookview Rd, requested by Nick Syros, to encroach three feet (3') into the interior setback on the eastern property line, to accommodate a screened porch addition in accord with the improvements on the attached site plan, and identified as Orange County Property Identifier Number 9880-71-9214, the Board does not make the following findings:

1. Unnecessary hardship would result from the strict application of the ordinance.
2. The hardship results from conditions that are peculiar to the property, such as location, size, or topography.
3. The hardship did not result from actions taken by the applicants or the property owner.
4. The requested variance is consistent with the spirit, purpose, and intent of the ordinance, such that public safety is secured, and substantial justice is achieved.

BE IT FURTHER RESOLVED that the Board hereby denies the application for a dimensional variance from setback regulations in the Residential-1 (R-1) Zoning District, at 625 Brookview Drive.

Signed - Board of Adjustment Chair, Joseph Parrish

This, the 5th day of November 2020.
