**ITEM #1: Petition: East West Partners Request for Murray Hill Limited Scope SUP
Modification**

Council Question:

Are there any affordable-designated units in Murray Hill? If so, how many?

Staff Response:

The approval of the project in 2010 required a \$191,250 payment-in-lieu of providing affordable dwelling units. To date they have paid \$109,766.24 of the \$249,538 due. The amount due increases 3% per year.
