

**01-13-2021 Town Council Meeting**  
**Responses to Council Questions**

**ITEM #2: Approve a Request for Limited Review of a Special Use Permit Modification at Signature Health, 1602 E. Franklin Street**

**Council Question:**

Normally, which advisory boards, besides the Planning Commission, would review a Special Use Permit Modification application?

**Staff Response:**

*Typically, a Special Use Permit Modification (SUP-Mod) would return to all development review boards and commissions for review: Planning Commission, Environmental Stewardship Advisory Board, Transportation & Connectivity Advisory Board, Community Design Commission (or Historic District Commission), and Housing Advisory Board (when applicable).*

*The applicant is requesting to limit the review scope to only the Planning Commission and Town Council. The ordinance requires the Planning Commission review and make a recommendation to Town Council on the application.*
