Dear Mayor Hemminger and Town Council members,

The entire Transportation and Connectivity Advisory Board voted unanimously last night to endorse this letter written by our board member Denise Matthews. We believe that adopting Vision Zero is vital to our goal of improving the safety of all residents of our community.

Sincerely,
Heather Brutz

Dear Mayor Hemminger and Chapel Hill Town Council,

As Chapel Hill Road to Zero Task Force Members, we strongly support and recommend that the Town of Chapel Hill adopt Vision Zero to eliminate traffic fatalities and severe injuries among all road users and to ensure safe, healthy, and equitable mobility for everyone.

Since 2019 we have been working diligently and collaboratively with Town staff, decision makers, community members, and stakeholders to implement the Town's Road to Zero Pedestrian Safety Action Plan (PSAP) and provide policy, technical, and design recommendations about conditions and issues that affect pedestrian safety and mobility with the ultimate goals of having zero pedestrian traffic fatalities and significant reductions in serious injury crashes. Building upon the foundation laid by the PSAP, Vision Zero will expand and sustain leadership, collaboration, and responsibility across Town leaders and staff, public officials, and diverse community members and emphasize the Town's dedication to the safety of its residents and road users and commitment to social equity. By adopting Vision Zero, the Town of Chapel Hill will join a growing number of towns and cities that recognize and commit to Vision Zero strategies, such as managing speed, prioritizing equity, and engaging the community, to save lives and increase safe, healthy, and equitable mobility for all.

We thank you for your consideration of this important effort.

Sincerely,

Denise Matthews
On behalf of Chapel Hill Road to Zero Task Force Members
