Orange County Crisis Diversion Facility Update.

Staff:

Loryn B. Clark, Deputy Town Manager
Christopher C. Blue, Police Chief and Executive Director for Community Safety

Department:

Manager’s Office
Police Department

Overview: The purpose of this item is to update the Council on County-wide plans for creating a Crisis Diversion Facility in Orange County.

 **Recommendation(s):**

That the Council receive the report.

Key Issues:

- A County-wide subcommittee, including a representative from the Town’s Crisis Unit, was charged with developing recommendations for Orange County crisis services that would facilitate diversion of individuals experiencing crisis from a hospital based emergency department or the criminal justice system.
- Orange County staff has presented this update to the Town of Carrboro and the Orange County Board of Commissioners.
- Development of a Crisis Diversion facility would support the prevention, crisis, and post crisis recommendations identified by the Town’s [Reimagining Community Safety Task Force](https://www.townofchapelhill.org/home/showpublisheddocument/49357/637600438568470000) <<https://www.townofchapelhill.org/home/showpublisheddocument/49357/637600438568470000>>.

Fiscal Impact/Resources: At this time there is no fiscal impact associated with this presentation. If plans move forward, we would anticipate funding requests of the Towns and Orange County.
