**Overview:** As required by state law, the Chapel Hill Downtown Partnership will provide its annual report to the Council as a written report and presentation during a Council meeting.

☆ **Recommendation(s):**

That the Council receive the annual report from the Chapel Hill Downtown Partnership.

**Key Issues:**

- North Carolina General Statutes allow a city to provide services to its Municipal Service District through a contract with a private agency. The statutes require that the contract be awarded through a bid process that includes a public hearing process and that the selected agency provide an annual report to the city in writing and during the course of a city council meeting. (N.C.G.S. Sec. 160A-536 et. seq.)
- On April 8, 2016, the Town issued a Request for Proposals to provide services that promote, maintain and enhance the Town’s Municipal Services Districts.
- On June 13, 2016, the Council awarded the contract to the Chapel Hill Downtown Partnership (CHDP) for FY2016-17.
- The Contact provides for extensions annually until FY 2021-2022 (5 years) unless the Council, following each annual report, directs otherwise.

**Fiscal Impact/Resources:** The Town of Chapel Hill provided the Chapel Hill Downtown Partnership \$190,000 from the Municipal Services District and General Funds. The Chapel Hill Downtown Partnership also receives funding from UNC-Chapel Hill.
