RECOMMENDATION: That the Council consider the attached resolutions:

- Original Resolution A (adopted by Orange County and Carrboro) adjusting the property lines of the tract and the Headwaters Preserve, creating a jointly-owned preserve, indicating land uses and conceptually agreeing to consider development of Greene Tract;

Or

- Alternative Resolution approving a conceptual proposal of land uses for the 104-acre portion in joint ownership, initiating the protection of preserve areas in perpetuity, holding a series of community engagement meetings, and initiating environmental and connectivity analysis of the property.
