    - b. The annual transportation report be provided in addition to a biennial report titled "Transportation Impact Analysis Update;"
    - c. The annual transportation report be submitted in December of each year beginning in December 2005 and thereafter until the end of the current Development Plan cycle; and

  - Overview of the Development Plan;
  - Discussion of changes in transportation issues associated with the Development Plan; and
  - Discussion of mitigation measures and recommendations including the existing and the proposed traffic calming measures on campus and in adjacent neighborhoods.
- The Council previously received the Annual Development Plan Report from 2005 to 2018. The “2019 Biennial Transportation Impact Analysis Update” is the tenth update of the initial Transportation Impact Analysis submitted in July 2001 for the UNC Development Plan.
