Community Splash Pad Update.

Staff:

Phil Fleischmann, Parks and Recreation Director
Kevin Robinson, Park Maintenance Superintendent

Department:

Parks and Recreation

Overview: At the October 20, 2021 work session, Town staff provided the Council [an update](https://chapelhill.legistar.com/LegislationDetail.aspx?ID=5185898&GUID=1508D5BA-DF59-4821-923E-4A6680732D9C) on community interest and ideas about having a splash pad in the Chapel Hill parks system. Tonight, Parks and Recreation staff will provide an update on this potential project and will share options for moving ahead. The Council will also be able to provide feedback on having a larger destination splash pad and/or smaller splash areas at multiple locations.

Developing a splash pad is consistent with a recommendation included in the 2013 Comprehensive Parks Plan.

 **Recommendation(s):**

That the Council receive the update and support the continued exploration of constructing a splash pad.

Decision Points:

- Should the Town continue with its exploration of the options noted within the presentation?

Fiscal Impact/Resources: Town staff will present financial impacts during the meeting.

 **Attachments:**

- Draft Staff Presentation

The Agenda will reflect the text below and/or the motion text will be used during the meeting.

PRESENTER: Phil Fleischmann, Parks and Recreation Director
Kevin Robinson, Park Maintenance Superintendent

The purpose of this item is to provide an update on possible options to build a splash pad. The Council will have an opportunity to further discuss their thoughts related to the concept.
