### Amend the Lease with United States Postal Service (USPS) at 179 East Franklin Street.

**Staff:**

Mary Jane Nirdlinger, Assistant Town Manager  
Dwight Bassett, Economic Development Officer

**Department:**

Manager’s Office  
Economic Development

**Overview:** Council authorized the East Rosemary Economic Development Agreement as a framework to guide enhanced development in our Downtown. The existing Grubb building (CVS Plaza) and the proposed office building would work to tap the Meds/Eds/Beds (medical, education, and hospital/hospitality) sectors of our market. We believe we have tremendous potential for growth and retention of biotechnology and life sciences companies downtown. The Town’s commitment to closing on the Wallace Deck property in May with Grubb Properties is part of this effort and it requires a lease amendment as described below.

☆ **Recommendation(s):**

That the Council authorize the Town Manager to amend the lease with the USPS on property adjacent to the Wallace Deck.

**Background:**

During our due diligence and title search for the East Rosemary project, we found that, in 1979, the Town granted the State Historic Preservation Office (SHPO) and the USPS the right to review any changes to the Wallace Deck property when the Wallace Deck Parcel was added to the deed restrictions connected with the Post Office building.

The Town is currently recombining property so that these Deed restrictions will no longer apply to the Wallace Deck.

In addition to tonight’s action, the Town will also need to address zoning-related issues so the project can proceed:

- 1) The Town will need to create an Easement over the first 30' of the western edge of the park property so as not to limit the amount of glass or wall penetrations on the building. (Fire)
- 2) There may be a need for a text amendment or other consideration to allow the building to rise to the proposed height since the proposed setback and height do not meet current regulations at the property line. (Planning)

These items will be dealt with separately.

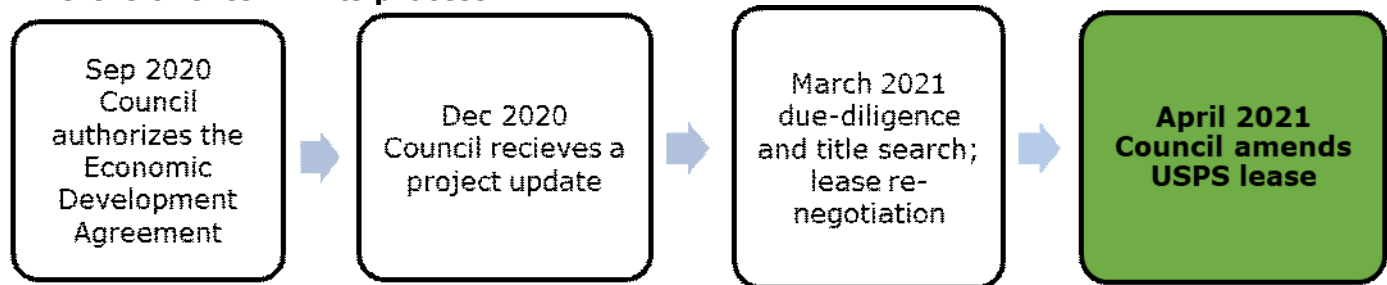

**Decision Points:**

Before the closing, the Town needs to amend and extend the lease with the USPS on the adjacent courthouse property, where the USPS has a long-standing lease with the Town.

Tonight, the Council will authorize the Town Manager to proceed with the lease Amendment. The USPS agreed to sign a Deed Release on the Deed Restrictions, they asked for a lease extension, and they agreed to increase in the rate. The SHPO has also agreed to sign a Deed Release and Lease Amendment.

**Fiscal Impact/Resources:** Authorization will allow the Town to proceed with the closing.
