Amend Chapter 21 of the Town Code of Ordinances for No Through Trucks on East Rosemary Street from Boundary Street to Henderson Street.

Staff:

Celisa Lehew, Chief
Lance Norris, Public Works Director
Roger Henderson, Transportation Engineering Manager

Department:

Police
Public Works

Overview: Enacting the ordinance will prohibit through trucks on East Rosemary from Boundary Street to Henderson Street. This recommendation is in response to an interest in reducing the truck through traffic and related noise along this residential section of East Rosemary Street.

☆ **Recommendation(s):**

That the Council enact the attached ordinance, which would prohibit “through trucks” on East Rosemary Street between Boundary Street and Henderson Street.

Key Issues:

- The Town maintains East Rosemary Street.
- Trucks are increasingly using East Rosemary Street given the construction project on East Rosemary Street and future growth in the downtown.
- The Council previously enacted an ordinance for “no through trucks” on East Rosemary Street between Boundary Street and Hillsborough Street; on Henderson Street between North Street and East Rosemary Street; and on North Street between Henderson Street and Martin Luther King Jr. Boulevard.
- Town staff reviewed the concern and are amenable to the ordinance change.

Fiscal Impact/Resources:

The staff estimate a \$500 cost for installing the signs, including staff time. The Traffic Engineering Division

operating budget could absorb this cost. Enforcement of the ordinance will have a minimal impact on the Police Department.
