Overview: The County-Wide Manufactured Homes Action Plan is designed to provide a plan to address the redevelopment threats facing manufactured home communities in Orange County. The Plan is a collaborative effort between the Towns of Chapel Hill, Carrboro, and Hillsborough, and Orange County that outlines specific objectives, strategies, action steps, partners and resource needs to address the redevelopment threat facing manufactured home communities.

Recommendation(s):

That the Council adopt the resolution endorsing the County-Wide Manufactured Homes Action Plan.

Background

- In 2016-2017, the County, Towns, and local housing partners formed a manufactured homes work group to begin to discuss and evaluate opportunities and obstacles to addressing the needs of manufactured home community residents.
- There are 100 manufactured home communities in Orange County housing over 2,000 households.
- As development pressures increased for the northern part of Chapel Hill, in 2018, the Town began creating a strategy to proactively engage residents and owners of the four manufactured home communities in Town to develop a plan should future redevelopment occur on any of these sites.
- There has been extensive progress in implementing the Strategy, as outlined in the attached *Strategy Report to Council - January 2021*.
- In 2021, staff from the Towns and County came together to form the Manufactured Home Staff Working Group to create a plan to address the redevelopment and sustainability threats facing manufactured home communities in Orange County. This plan used resident engagement and the Town's existing Manufactured Home Strategy as its foundation.
- On [April 6, 2022](https://chapelhill.legistar.com/LegislationDetail.aspx?ID=5542615&GUID=F94D2489-F350-4809-AE76-C684340451EA&Options=&Search=) the Town Council reviewed and provided feedback on the draft plan and directed staff to bring the Action Plan back to Council for their approval at a later meeting.
- The Carrboro Town Council and Hillsborough Board of Commissioners endorsed the plan on April 5th and April 11th, 2022, respectively.

Action Plan Overview

The Action Plan is a collaborative effort between the Towns of Chapel Hill, Carrboro, and Hillsborough, and Orange County that outlines specific objectives, strategies, action steps, partners and resource needs to address the redevelopment threat facing manufactured home communities to:

1. Preserve manufactured home communities.
2. Minimize resident displacement due to redevelopment
3. Create a Relocation Assistance Package to provide meaningful relocation assistance options for residents facing displacement.

This Action Plan establishes four guiding principles:

1. Use engagement findings as foundation for strategy selection and implementation.
2. Include a variety of strategies to fully address the different issues. There is no silver bullet.
3. Manufactured housing is an important source of naturally occurring affordable housing serving diverse populations, including vulnerable community members.
4. The Plan is a living document and should be adapted based on changing conditions and resident input.

The Action Plan is designed to provide a comprehensive approach to a county-wide challenge. Each jurisdiction has the flexibility to determine the best strategies to meet the specific needs of their community.

Next Steps

Many of the strategies outlined in the new Action Plan are already underway. Additionally, staff have identified the following immediate next steps:

1. Continued engagement with residents
 - a. Distribute new Resource Guide for Residents of Manufactured Housing
 - b. Collaborate with community partners to carry out ongoing engagement to build leadership and sustained involvement of residents
2. Continue work already underway
3. Pursue priority strategies not yet underway
4. Continue collaboration efforts with government and nonprofit partners

Fiscal Impact/Resources: There is no fiscal impact related to endorsing the plan. Each strategy identified in the plan has a fiscal impact, most of which require Council or Town Manager approval before implementation, including ongoing engagement efforts. The Action Plan includes preliminary, high-level estimates of resource needs for each strategy.
