Overview: During the engagement opportunities for the draft Focus Area Maps and Principles, the residents of the Glenn Heights (Windsor Circle) neighborhood petitioned the Town Council to remove their neighborhood from the South Martin Luther King Jr. Boulevard Focus Area. The neighborhood is west of Martin Luther King Jr. Boulevard, between Estes Drive and Homestead Road. The Town Council originally heard their request on [October 2, 2019 <https://chapelhill.legistar.com/LegislationDetail.aspx?ID=4148988&GUID=CEFDBA84-55F1-49EE-B587-9F41361B59E5>](https://chapelhill.legistar.com/LegislationDetail.aspx?ID=4148988&GUID=CEFDBA84-55F1-49EE-B587-9F41361B59E5) and will consider the neighborhood petition again this evening since they did not come to a consensus.

Staff evaluated the neighborhood's request and is recommending another option to respond to the neighborhood's interest in maintaining the existing neighborhood character.

☆ **Recommendation(s):**

That the Council authorize the Town Manager, Resolution A, to retain Glenn Heights in the South Martin Luther King Jr. Blvd. Focus Area and to assign the "Traditional Neighborhood Character Type" to the community.

Decision Points:

- Should Glenn Heights be removed from the S. Martin Luther King Jr. Blvd. Focus Area? (Resolution B)
- If not:
 - Is the Small Lot Single Family (Resolution C) or the Traditional Neighborhood Residential Character Type most appropriate (Resolution A)? Or,
 - Should the "Townhouse etc." Character Type be revised to include low density single-family uses (Resolution D)?
