Staff:

Ben Hitchings, Director
Alisa Duffey Rogers

Department:

Planning & Development Services
LUMO Project Manager

Overview: In April of 2017, the Council initiated the LUMO Rewrite Project. This Project includes an update to *Chapel Hill 2020* with a refinement of the Land Use Plan, which is underway.

★ **Recommendation(s):**

That the Council receive an update on the Charting Our Future Project (Project).

Key Issues:

- Should the areas receiving increased focus, as part of the refinement of the Future Land Use Map, be expanded?

Fiscal Impact/Resources: Funding for the Land Use Management Ordinance Rewrite Project is estimated at \$830,000. This amount will be divided over the project schedule of three fiscal year budgets. The first allocation was in the FY 18 budget and 90% of those funds have been expended due to funding the Project consultant contract and paying the cost of a full-time employee.

Council Goals:
