Overview: The Council values transparency in government and will include robust and inclusive public participation in virtual meetings. The Resolution extends Resolution (2020-04-22/R-7), which described the virtual meeting environment and included information about public participation in a virtual environment during the COVID-19 pandemic.

☆ **Recommendation(s):**

That the Council adopt a revised meeting schedule to hold special meetings in a virtual environment through June 30, 2020 or until the Orange County Stay at Home Order is lifted.

Key Issue:

Orange County has issued subsequent Declarations extending the local State of Emergency through June 30, 2020 for Orange County residents.

The Governor signed Session Law 2020-3 into law to enact G.S. 166A-19.24, which provides authority and procedures for remote meetings by simultaneous communication during declarations of emergency by the Governor or General Assembly, including authorization and procedures for holding quasi-judicial evidentiary hearings, subject to certain limitations.

The Council will conduct the remote meetings using the ZOOM platform with the Webinar add-on. This allows the Council to create an environment similar to the Council Chamber. The panelists are the Council members, staff, and presenters that normally would be seen at the dais, staff tables, and public podium. The attendees are the audience participants. At the appointed time, an attendee would be promoted to the panelist discussion, make their comment, and be returned to the attendee mode by the meeting host.

The overall intent of these efforts is to continue to protect the public health, safety, and welfare while continuing to carry out the responsibilities of the Town.

A RESOLUTION ADOPTING A REVISED MEETING SCHEDULE TO HOLD SPECIAL MEETINGS IN A VIRTUAL ENVIRONMENT THROUGH JUNE 30, 2020 OR UNTIL THE ORANGE COUNTY STAY AT HOME ORDER IS LIFTED. (2020-05-20/R-7)

WHEREAS, the Council values transparency in government and will include robust and inclusive public participation in virtual meetings; and

WHEREAS, on March 13, 2020, the Town of Chapel Hill proclaimed a State of Emergency in response to COVID-19; and

WHEREAS, on March 26, 2020, the NC Department of Justice provided an advisory opinion stating that "electronic meetings are allowed under N.C.G.S. §143.318.13, and the requirements of notice, access and minutes can be met through electronic means. Due to the unprecedented circumstances we are all faced with, and the fact that local governing bodies conducting meetings remotely is not expressly prohibited by statute, I conclude that local governments can carry out necessary meetings electronically and remain in compliance with Open Meetings Laws."; and

WHEREAS, the School of Government transmitted the above advisory opinion and added that "the letter doesn't specifically address the impact of electronic participation on statutory quorum/voting requirements, public hearings, public comment periods, or quasi-judicial hearings."
