**Overview:** Since February 2022, staff and consultants have conducted a comprehensive review and diagnosis of the Land Use Management Ordinance as a part of the Transit Oriented Development (Shaping Our Future) initiative. This review included content, decision making procedures, and changes to the LUMO that will be required to achieve land use and development objectives set by the Future Land Use Map (FLUM). Staff and consultant team will provide Council a status update on this planning effort.

Objectives for tonight's discussion:

- Introduce components of the LUMO audit that Council will be seeing in the coming weeks and months
- Review and discuss the proposed approach and timeline to complete a comprehensive update of the LUMO
- Discuss internal and external factors that may influence and/or re-direct the update process

**Recommendation(s):**

That the Council receive the presentation and provide feedback.

**Attachments:**

- Draft Staff Presentation
- Council Decision Points and Workplan Overview
- TOD Plan Update: NSBRT & TOD
