Enact the Annual Budget Ordinance Amendment to Re-appropriate Funds for Prior Year Encumbrances and Other Commitments.

Staff:

Amy Oland, Director

Department:

Business Management

Overview: Enacting the attached budget ordinance amendment appropriates funds for prior year encumbrances, previously approved grants, and capital improvement projects in various funds for the 2019-20 fiscal year.

Recommendation(s):

That the Council enact the budget ordinance amendment to adjust for encumbrances and other commitments from FY 2019 to FY 2020.

Key Issues:

Each year, as the new fiscal year budget gets underway, we ask the Council to re-appropriate funds for activities that cross over July 1st. These activities were anticipated and planned for in our budget preparation and are for routine activities and longer-term projects.

- **Encumbrances**

Encumbrances are obligations the Town committed to before June 30, 2019 through a contract or a purchase order. Since the materials or services weren't delivered before June 30th, we need to re-appropriate those funds in the 2019-2020 budget. Staff recommends carrying forward a total of \$3,522,227 across all funds from last year to the 2019-2020 budget.

- **Other Commitments**

In addition to outstanding contracts and purchase orders, there are items that were planned for in our budget preparation but not completed before June 30, 2019. These projects include: the Elliott Road

Storage Facility \$3,034,772, Wallace Deck design \$290,000, year two of the LUMO update \$100,957, the penny for housing initiative \$646,528, and stormwater subwatershed studies \$310,948. Other carryforward items include workforce development training, Council-approved planning initiatives, police federal and state drug seizure funds, street resurfacing, traffic studies, facility maintenance, technology projects, and other ongoing initiatives that were not encumbered. Staff recommends carrying forward a total of \$5,089,155 across all funds from last year to the 2019-2020 budget.

- **Grant Fund Carryovers**

The attached ordinance would re-appropriate \$99,684 for unspent grants in the Grant Fund as follows:

Grant	Grant Budg in 2018-19	Balance to Reappropriate in 2019-20
Triad Foundation Grant	50,771	45,671
FY16 Bulletproof Vest Grant	6,974	2,909
Governors Crime Commissio	89	89
FY18 Bulletproof Vest Grant	22,687	12,624
Orange County ABC Grant	55,849	12,421
Youth Initiative Grant	619	619
FY17 Bulletproof Vest Grant	26,030	25,351
Total	\$ 163,019	\$ 99,684

- **Transit Grant Carryovers**

In addition to items encumbered, the Transit Fund has residual balances on grants that were awarded in FY 2019 that are not complete and will carry over to FY 2020. Grants with residual balances include the FY 2014 and FY 2015 Section 5307 grants for transit enhancements. Expenditures remaining on the grants total \$54,321, with federal funding available of \$43,457. The matching funds for the grants were established in the prior year's budget and are re-appropriated from fund balance by the amendment attached.

- **CIP Project Carryovers**

Other than the amounts included for encumbrances above, the balance remaining for capital projects that are underway require re-appropriation in FY 2020. The attached amendment would re-appropriate funding for the completion of Fire Station #1 roof replacement, parks and greenways, parking lot projects, technology projects, and facility capital maintenance.

Fiscal Impact/Resources: The carryover budget amendment is intended to re-appropriate budget that was committed to in the prior fiscal year. Encumbered funds that were not spent were held in the fund balance of the various funds, or in additional grant funds awarded by agencies. The amount being carried over is \$3,522,227 in encumbrances and \$5,089,155 for other items that were not completed in the prior year for a total of \$8,611,382.

Where is this item in its process?
