Overview: On [February 19, 2020 <https://chapelhill.legistar.com/View.ashx?M=F&ID=8082562&GUID=7526FFA6-0BF4-45A4-88DC-BE8E0966DCA7>](https://chapelhill.legistar.com/View.ashx?M=F&ID=8082562&GUID=7526FFA6-0BF4-45A4-88DC-BE8E0966DCA7) Mayor Hemminger petitioned the Council to have the Town Manager and staff evaluate options for including experiential retail in our land use definitions.

Recommendation:

That the Council adopt the resolution calling a public hearing on May 20, 2020 to amend the Land Use Management Ordinance to allow for experiential retail in the Town Center Zoning Districts.

Key Issues:

- The text amendments would update the Use Table in Section 3.7 of the Land Use Management Ordinance to allow Flex Office in the Town Center (TC-) zoning districts. The TC-zoning districts should be more flexible in their allowed uses in order to address the changing needs of the retail industry.
- The nature of retail is changing, and the current Land Use Management Ordinance did not anticipate new forms of retail, such as experiential retail. This use will be included in the revised Business, General definition.
- The text amendments would also update the Appendix A Definitions of the Land Use Management

Ordinance to revise the definitions for General Business, Indoor Commercial Recreation Facility, and Personal Services. New definitions for retail sales, retail services, personal services, personal instruction, and health clubs will also be introduced.
