Overview: Chapter 160D of NC General Statutes was established under Session Law 2019-111, which was signed into law on July 11, 2019. Before July 1, 2021, it is necessary for the Town to update the Land Use Management Ordinance (LUMO) and other sections of the Town Code to continue operating in compliance with State law. This item is a continuation of discussions with Council on [June 17, 2020 <https://chapelhill.legistar.com/LegislationDetail.aspx?ID=4569906&GUID=0CE76AA5-06B3-4421-8884-D0D1FBD81E30>](https://chapelhill.legistar.com/LegislationDetail.aspx?ID=4569906&GUID=0CE76AA5-06B3-4421-8884-D0D1FBD81E30) and [September 16, 2020 <https://chapelhill.legistar.com/LegislationDetail.aspx?ID=4640115&GUID=B6921C68-D711-4649-A7AC-E69FC5474889>](https://chapelhill.legistar.com/LegislationDetail.aspx?ID=4640115&GUID=B6921C68-D711-4649-A7AC-E69FC5474889).

Recommendation(s):

That the Council receive the staff presentation and provide guidance on the identified Policy Choices.

Decision Points:

- Appropriate involvement of Planning Commission and other Advisory Boards in the Special Use Permit review process
- Development approvals that are appropriate for vested rights

Key Issues:

- Part I of Session Law 2019-111 is already in effect. Staff met with Council members during the summer to share how development review procedures must change to address the provisions of Part I.
- As a vehicle for modernizing land use laws, Part II requires the Town to update LUMO and other

sections of the Town Code to maintain compliance.

- At the September 16 Work Session, Council provided input on eliminating Conditional Use District Zoning, Advisory Board review of Special Use Permits (returning for continued discussion at this Work Session), and appeals of Historic District Commission decisions.

Fiscal Impact/Resources: There are no anticipated fiscal impacts from the project as proposed. Town staff will conduct the public engagement and develop the draft Code language.
