Overview: Chapter 160D of NC General Statutes was established under Session Law 2019-111, which was signed into law on July 11, 2019. Before July 1, 2021, it is necessary for the Town to update the Land Use Management Ordinance (LUMO) to continue planning and zoning functions in compliance with State law.

Recommendation(s):

For the LUMO text amendments, that the Council open the legislative hearing, receive public comment, close the legislative hearing, and allow written public comment for twenty-four (24) hours.

For the Town Code amendments, that the Council initially review, receive public comment, and enact the Town Code amendments with the LUMO amendments at the next meeting.

Key Issues:

- Part I of Session Law 2019-111 is already in effect and impacts how the Town conducts development review procedures.
- As a vehicle for modernizing North Carolina's land use laws, Part II requires the Town to update the LUMO to comply with this newly enacted State Statute.
- At previous Work Sessions, Council provided input on eliminating Conditional Use District Zoning, determining which approvals had Vested Rights, and how to utilize advisory board/commissions when considering Special Use Permits. Staff incorporated all input received from these Work Sessions into the proposed LUMO text amendments.

Fiscal Impact/Resources: Codifying these text amendments will require funding from Communication and Public Affairs budget.
