Overview: Council adopted a form-based zoning district for the Blue Hill District in July 2014. Development in this district is subject to the regulations and definitions in Section 3.11 of the Land Use Management Ordinance (LUMO), which are distinct from the regulations and definitions in parallel sections of the LUMO. The non-residential use requirements in Section 3.11 require more refinement to reflect a distinction of commercial uses within the district.

Recommendation(s):

That the Council adopt the resolution, calling a public hearing for a Land Use Management Ordinance Text Amendment to Section 3.11, Blue Hill Form District pertaining to non-residential use requirements on May 26, 2021.
