### Amend Chapter 21-13 of the Town Code of Ordinances to Include an All-Way Stop at the Intersection of Henderson Street and North Street.

**Staff:**

Celisa Lehew, Chief  
Lance Norris, Director  
Roger Henderson, Transportation Engineering Manager

**Department:**

Police Department  
Public Works

**Overview:** Enacting the ordinance will allow staff to install stops signs creating an all-way stop at the intersection of Henderson Street and North Street. This recommendation is in response to a petition on behalf of Cobb Terrace residents.

### Recommendation(s):

That the Council enact the attached ordinance, which would amend and allow an all-way stop at the intersection of Henderson Street and North Street.

### Key Issues:

- The Town maintains Henderson Street and North Street.
- Previously it was a two-way stop on Henderson Street and North Street.
- The travel lanes are narrow along both streets and there are limited pedestrian sidewalks along North Street.
- Town staff reviewed the concern and are amenable to the ordinance changes.

### Fiscal Impact/Resources:

The staff estimate a \$500 cost for installing an additional two signs, including staff time. The Traffic Engineering Division operating budget could absorb this cost. Enforcement of the ordinance will have a minimal impact on the Police Department.
