Update on Tiny Home Exploration

Overview: Approximately one year ago a petition to "Make Tiny Homes a Legal and Affordable Housing Option" was presented to the Town. The Town Council referred the petition to staff.

An interdepartmental team of staff from Housing and Community, Planning, and Development Services was formed to address the requests in the petition. This item will update the Housing Advisory Board on the team's progress towards addressing the petition and our findings on the viability of tiny homes as an affordable housing option in Chapel Hill.
