Overview: On May 29th, 2020, the Town received an allotment of \$746,410 from Orange County for the [Coronavirus Relief Fund <https://home.treasury.gov/policy-issues/cares/state-and-local-governments>](https://home.treasury.gov/policy-issues/cares/state-and-local-governments) (CRF). This funding is part of the larger federal economic relief package known as the Coronavirus Aid, Relief, and Economic Security ([CARES <https://home.treasury.gov/policy-issues/cares/state-and-local-governments>](https://home.treasury.gov/policy-issues/cares/state-and-local-governments)) Act. The CRF provides financial resources to state, local and tribal governments to help navigate COVID-19. See the attached Staff Report for additional details about funding categories, possible expenses and anticipated amounts.

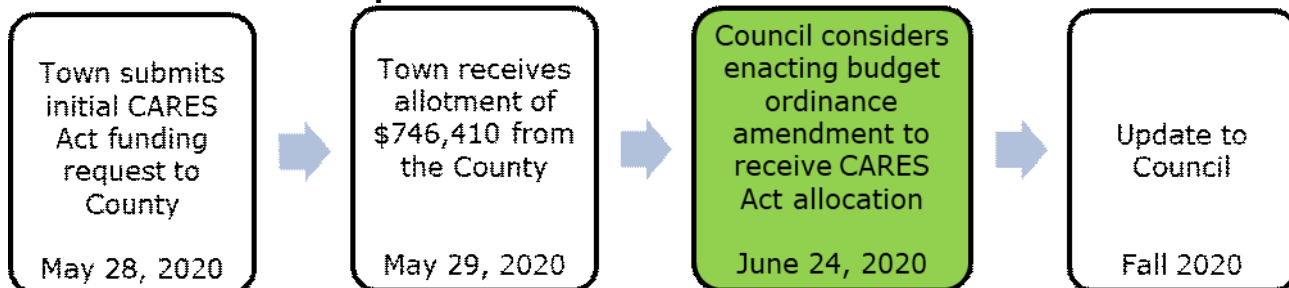

Recommendation(s):

That the Council enact the attached budget ordinance amendment for the Grants Fund to recognize and appropriate the CARES Act funding.

Fiscal Impact/Resources: If the Council enacts the attached budget ordinance amendment, this will add \$746,410 to the Town's FY2019-20 budget. Any remaining funding not spent by June 30th will then be carried forward to the FY2020-21 budget. All eligible expenses must be incurred no later than December 30, 2020.
