☆ **Recommendation(s):**

That the Council receive the staff presentation and provide guidance on the identified Policy Choices.

Decision Points:

- Appropriate involvement of Planning Commission and other Advisory Boards in the Special Use Permit review process
- Who hears appeals of decisions made by the Historic District Commission

Key Issues:

- Part I of Session Law 2019-111 is already in effect and has impact on how the Town conducts development review procedures.
- As a vehicle for modernizing land use laws, Part II requires the Town to update LUMO and other sections of the Town Code to maintain compliance.
- At previous Work Sessions, Council provided input on eliminating Conditional Use District Zoning and determining which approvals had Vested Rights, along with other topics returning for discussion at this Work Session.
