Authorize the Sale of a 2013 Stageline SL50 Mobile Stage as Surplus Property.

Staff:

Department:

Community Arts & Culture

Overview: The Town owns a 2013 Stageline SL50 Mobile Stage that is no longer useful to Town operations. This stage has an estimated resale value of \$30,000-\$50,000. N.C. General Statute 160A-270 requires Council authorization to direct the disposal of surplus property valued at more than \$30,000.

Recommendation(s):

That the Council adopt a resolution declaring the Town's 2013 Stageline SL50 Mobile Stage as surplus and authorize its sale in an online auction in January 2023 through www.GovDeals.com [<http://www.GovDeals.com>](http://www.GovDeals.com).

Key Issues:

- The Town's mobile stage was purchased ca. 2014 and is no longer being used.
- Using the stage takes (4) trained staff, a large towing truck, and 4-6 hours to set up and break down on each end.
- The Town lacks the necessary infrastructure, stage production skills, or staffing levels to operate and maintain this large, underutilized piece of equipment.
- The stage was listed as rental equipment on the Town's Parks & Recreation fee schedule for several years and no one rented it.
- Town staff last used the mobile stage in 2018 at Festifall. It has been parked at the Town Operations Center since that time.
- The Community Arts & Culture Division believes it would be a better use of Town resources to rent a stage and contract with an event production company on a case-by-case basis when a need for concert infrastructure arises.

Fiscal Impact/Resources: There is no cost to list items for sale online. Proceeds of the sale will be returned to the Town's General Fund.
