**This letter is to confirm the sales and distribution of Leica Geosystems S&E (Surveying and Engineering Division), is made by our authorized Leica Dealer, CW Lawley, Inc./DBA: Transit and Level Clinic, in Alabama. Leica Geosystem (S&E) has set territories across North America handled either by a Direct representative or authorized Leica Dealer. These set territories are for exclusive distribution of the Geomatic products to ensure the customer has local representation to provide sales, service, and support at the local level, and with access to Leica national support and service as well.**

Dear Sir or Madam,

Please accept this letter as confirmation that North Carolina is handled by CW Lawley, Inc./DBA: Transit and Level Clinic. Transit and Level Clinic are the sole source for Leica High end Survey and Engineering products.

**Transit and Level Clinic
